

Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliancy vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate womanly organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nervine, nicely adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.

INTERESTING FACTS

Crenshaw & Young Offer to Cure Catarrh. The Medicine Costs Nothing If They Fail.

When a medicine effects a cure in 98 of 100 cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure Catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people of Lexington to substantiate. We want them to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician whose specialty was Catarrh, and who has a record of thirty years of cures to his credit.

We sell more bottles and receive more good reports about Rexall Mucu-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tone is, it would be the only catarrh medicine we would have any demand for.

Rexall Mucu-Tone is quickly absorbed and carried by the blood until it thoroughly disinfests and cleanses the entire mucous membranous tract, destroys and removes the parasites which injure and destroy the membranous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissue, relieves the blood and system of diseased matter, stimulates the mucous cells, aids digestion and improves nutrition until the whole body vibrates with healthy activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Mucu-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money with out question or quibble. We have Rexall Mucu-Tone in two sizes, 50c. and \$1.00. Sold here by Crenshaw & Young.

K. U. FRESHMEN WON

Defeated Wentworth in a Very Rough Basket Ball Game, 25-24.

In a game which was in doubt until the very last the Kansas University freshmen defeated the Wentworth basket ball team in the academy drill hall Saturday night by the score of 25 to 24. Owing to the usual lateness of the Missouri Pacific the game was not begun until 9:30. It was fast and furious and rough as could be from start to finish. There was scarcely a second when there was not holding, hugging, shoving, tripping, slugging or biting on both sides.

The visitors took an early lead and held it until the middle of the second half, when by a series of brilliant baskets the cadets got a point ahead. There was then a see-saw effect until the end of the game and the Kansas happened to be one point ahead when the final whistle blew. The game was too rough to allow much stellar work.

Curtain to Rise at 8:15.

Ed Haekker, who will manage the opera house for Chas. Geyer, has announced that in the future the curtain will rise at 8:15 instead of at 8:30 as heretofore.

"The reason for holding the curtain," said Mr. Haekker, "has been the fact that a good many companies have come down from Kansas City on the evening train and played here. Under such conditions it was impossible to begin early. Now no company can get here on the evening east-bound train to give a performance the same evening and so we shall try always to have our shows begin at the earlier regulation time."

Kemper Beat Wentworth.

A big surprise was sprung in basket ball circles Monday afternoon at Boonville when the Wentworth team went down in defeat before the Kemper five, heretofore considered weak. The score was 38 to 34. Two weeks ago the locals beat the Boonvillians 48 to 11 in the academy drill hall and this probably gave them a streak of overconfidence. The difference of courts may explain part of the dissimilarity between the two scores; but it is evident that the Wentworth team has taken a slump.

H. B. Henry's Grandfather Dead.

Howard B. Henry was called to Olathe, Kans., Monday afternoon by the death of his grandfather, William Henry. Mr. Henry, who was 78 years old, was president of the Patrons Bank of Olathe, and was a most prominent citizen of that city. He was born in Monroe County, N. Y., in 1831, and moved to Olathe in 1861. He took an active part in the civil war, being a captain of militia. Mr. Henry is survived by a widow, two sons, Arthur and W. B. Henry, who is Howard Henry's father. A daughter also survives. The funeral was held in Olathe Tuesday.

The Lurid Glow of Doom

was seen in the red face, hands and body of the little son of H. M. Adams of Henrietta, Pa. His awful plight from eczema had, for five years, defied all remedies and baffled the best doctors, who said the poisoned blood had affected his lungs and nothing could save him. "But," writes his mother, "seven bottles of Electric Bitters completely cured him." For Eruptions, Eczema, Salt Rheum, Sores and all Blood Disorders and Rheumatism Electric Bitters is supreme. Only 50 cents. Guaranteed by Crenshaw & Young.

There is a rumor prevalent that a bill will shortly be introduced in the legislature to abandon the two terms of Circuit court that are held at Higginsville in March and September of each year, as there are seldom more than one or two days of court in each term, and it seems that the costs of holding the terms are more than the benefits derived therefrom. It is understood that there are more than three hundred in Higginsville who are ready and waiting to sign the petition.

C. A. Keith and W. S. Peacock were in Higginsville Tuesday.

J. W. Sydnor went to Higginsville Tuesday morning to spend the day.

Misses Tillie and Rose Bour visited Kansas City Tuesday.

Killian Long left Monday evening for a trip to Dalhart, Texas.

Miss Bess Johnson left Tuesday for an extended trip to Wichita, Kansas. Her mother, Mrs. Virginia Johnson, accompanied her as far as Kansas City.

E. W. Mollencamp Moved In.

E. W. Mollencamp, a prominent resident and mayor of Higginsville moved a big stock of implements from that city Monday. Mr. Mollencamp has conducted one of the finest stores of this kind in the county and his opening of an establishment in Lexington will be beneficial both to himself and the town. Lexington has been without an implement store for several years and the farmers had to go elsewhere to secure what they needed. Mr. Mollencamp has a large and up-to-date stock containing every kind of implement used in farming and to this he will make many additions. He has rented the two large store buildings adjoining the Princess theatre on Franklin avenue for his store. It is hoped that Mr. Mollencamp will be most successful in his new enterprise.

Nearly a Wreck.

A negro, who happened to be hunting a little this side of Page City Monday morning, saved a bad smash-up on the Missouri Pacific. He discovered a badly broken rail in the track and hastened to the station, reaching there just in time to board the westbound train and inform the conductor of the danger. The train was stopped and the broken rail replaced. The train was 45 minutes late when it reached Lexington; but had it not been for the negro it would now be in a ditch.

Pickpocket Arrested.

Officer Gaffin Saturday night arrested Will Jones, a disreputable negro, on the charge of picking pockets. Jones was arrested at the instigation of Clay Blunt, whose watch was stolen from his pocket while he was with Jones. Jones is the negro who gained a reputation several years ago as "Jack the Peeper." He has spent several years at the penitentiary.

Death of John Sweeney.

John K. Sweeney, aged 66 years, died Saturday at the home of his son, M. H. Sweeney, in the Bell flats, of pneumonia. Mr. Sweeney had lived in Lexington only a short time. His son is a local agent for the Prudential Insurance Co. The remains were taken to Avon, Mo., for burial.

Mike Gavin returned Saturday from a business trip to Jefferson City.

Miss Meta Pirner, who was called here a few days ago by the death of her father, Gustav Pirner, returned to Kansas City Monday morning.
